/Pharmacy Colleges under the jurisdiction of this University are informed that  
during the inspections of the said colleges it is noticed that most of the colleges  
are not conducting Governing Body meetings in their colleges, as it is irregular on  
part of them as several times instructions have been issued to the colleges to  
conduct the said meetings once in every three months during the academic year  
including University nominees.

In view of the above, once again they are directed to conduct the said  
governing body meetings (in the month of December 2021) without fail otherwise  
necessary action will be initiated against the concerned colleges in the matter.
