

Address for Correspondence

Prof. NYS Murthy (Convener)
HOD, Integrated Chemistry

Dr. N. Chandra Kiran (Organizing Secretary)
Assistant Professor, JD, AAC
mobile : 9553863878
cfsfp@gmail.com
Department of Integrated Chemistry

International Resource Persons:

- Abdel Sayari**,
Full Professor
Department of Chemistry and Biomolecular Sciences
University of Ottawa
Ottawa K1N 6N5 Canada.
 - Dr. Jorge Beltramini**
Professor - Senior Research Fellow
Australian Institute for Bioengineering and
Nanotechnology (AIBN)
The University of Queensland
 - Professor Neil Robertson**
School of Chemistry
University of Edinburgh
King's Buildings, Edinburgh EH9 3FJ, UK
 - Dr. Davide Dionisi**
CEng MChemE,
Senior Lecturer in Chemical Engineering
School of Engineering |
Kings College | University of Aberdeen | Aberdeen |
AB24 3UE
- And other reputed academicians / scientists / and persons
from industry.

PALAMURU UNIVERSITY

MAHABUBNAGAR, TELANGANA STATE, INDIA.

Department of Integrated Chemistry

Organizes

International Conference

on

CHEMISTRY FOR SUSTAINABLE FUTURE

(CFSF-2018)

07th to 09th August, 2018

REGISTRATION FORM

Name : _____

Designation : _____

Department : _____

Organization : _____

Address for correspondence :

Organizes

International Conference

on

CHEMISTRY FOR SUSTAINABLE FUTURE

(CFSF-2018)

07th to 09th August, 2018

About Palamuru University

In the academic year 1987-88, Osmania University established a PG centre at Mahabubnagar with two PG courses viz., M.Com and M.A. Political Science. In order to fulfil the long cherished dreams of the people of combined Mahabubnagar district, the PG centre was upgraded to Palamuru University in August 2008. The greenery rich campus is spread over 171 acres with beautiful and spacious academic, administrative and hostel buildings. Palamuru University impart relevant higher education to the students with highly motivated faculty to augment the global and dynamic education. The University has well equipped laboratories, adequately stocked library, both indoor and outdoor sports facilities, health centre, English Language learning courses through Centre for English Language Training (CELT) and coaching for competitive examinations by University study circle and also for CSIR coaching. Apart from the main campus at Mahabubnagar, Palamuru University has three PG centers at Gadwal, Wanaparthy and Kollapur. The University offers 17 PG programmes at its main campus and 13 PG programmes at its PG Centres. Palamuru University was admitted under section 12(B) of UGC during 2014-15. The University is planning for decennial celebrations in August 2018.

About the Integrated Chemistry Department

The department of Integrated Chemistry, is one of the most vibrant departments of Palamuru University since its inception in the year 2009. The mission of the department is to impart and disseminate knowledge, develop competencies and provide basic inputs of research in various areas of chemical sciences. The faculty of the department are credited with DST sponsored Major Research Projects and research publications in leading international journals of high impact factors. The students of the department are awarded with DST-INSPIRE fellowships, DST-INSPIRE PhD fellowships CSIR fellowships and summer fellowships.

About the Chemistry Department

The department started functioning successfully from the very inception of Palamuru University and offers the M.Sc. course with Organic Chemistry as specialization. The department is committed to excellence in chemical education & research.

About Mahabubnagar

Mahabubnagar is situated in the southern part of Telangana State (India) along the borders of rivers Krishna and Thungabhadra. Mahabubnagar town is located at a distance of 96 Km away from Hyderabad, the capital city of Telangana State. Tourist places in Mahabubnagar include Jogulamba temple (one of the Ashtadasha Shakti Peetams of India) at Alampur, Manyamkonda Balaji temple, Pillalamarri (one of the oldest and largest banyan trees), Koilsagar & Jurala irrigation projects, Gadwal, Wanparthy, and Kollapur forts, etc.

About the Conference

The conference is aimed

To provide a platform to the academicians, scientists and researchers to exchange and share their knowledge through presentations and discussions.

To acquire knowledge about latest research developments in chemistry

To motivate the young scientific minds towards research

To bring local and international scholars on to a common platform to carry out collaborative research.

Oral and Poster presentations

Abstracts for oral and poster presentations are invited on the topics mentioned below. Best oral and poster presentations will be awarded with prizes and certificates.

Participants are requested to send the abstracts in Times New Roman font, size 12 with 1.5 spacing in English and in MS word not exceeding 300 words to cfsfpu@gmail.com

Topics for oral and poster presentations:

Green Chemistry	Asymmetric Synthesis
Medicinal Chemistry	Natural Products
Alternate Sources of Energy	Nanochemistry
Coordination Chemistry	Environmental Chemistry
Chemical Kinetics & Catalysis	
New Analytical Methods	
Computational Chemistry & Molecular Modeling	
New Synthetic Strategies/ Reagents/ Molecules	
Applied Chemistry/Industrial Chemistry	
Chemical Education and New Pedagogies	

IMPORTANT DATES

Submission of abstracts	: 25th July, 2018
Acceptance	: 28th July, 2018
Last date for registration	: 31st July, 2018

Registration

Registration fee can be paid via DD/NEFT/IMPS in favour of "HOD Integrated Chemistry, PU" payable at SBI, Ganesh Nagar Branch, Mahabubnagar. Account No. 37475551465, IFSC code: SBIN0016375.

Registration fee for

Students: Rs. 200/-

Research Scholars: Rs. 750/-

Faculty/Industry Persons: Rs. 1000/-

Approach to Palamuru University

Mahabubnagar is well connected by trains & buses from Hyderabad. Rajiv Gandhi International Airport (Hyderabad) is 90 km. from Mahabubnagar.

Organizing Committee

Chief Patron

Prof. B. Rajarathnam,

Honorable Vice-Chancellor, PU

Patron

Prof. I. Pandu Ranga Reddy

Registrar, PU

Convener

Prof. NYS Murthy

HOD, Dept. of Integrated Chemistry

Organizing Secretary

Dr. N. Chandra Kiran

Asst. Professor & JD, AAC, PU

Dept. of Integrated Chemistry

Advisors

Prof. K. Girija Mangatayaru, Head

Dept of Chemistry, PU

Prof. Pindi Pavan Kumar, Director IQAC, PU

Prof. G. Manoja, Director, PG centers, PU

Dr. D. Madhusudan Reddy, OSD to VC

Dr. M. Jaipal Reddy, Principal, UPGC, PU

Dr. S. Vijaya Laxmi, Vice Principal, UPGC, PU

Organizing Members:

Dr. K. Sridhar Reddy

S. Ayesha Hashmi

Malathi

B. Siddiram Goud

K. Rammohan

B. Upender

S. Ravi kumar

Dr. Y. Jyothi
