About the Organizers:

Osmania University

The Osmania University, established in 1918, is the seventh oldest in the country, third oldest in South India and the first to be established in the princely state of Hyderabad.

Palamuru University

Palamuru University has been established in the year 2008 as a State University by statutory enactment to cater to the growing requirements of Higher Education of the region in general and of Mahabubnagar district in particular. The University started functioning from the academic year 2008-2009 with the PG College of Osmania University at Mahabubnagar as the nucleus.

University College of Education, (UCE), PU

The college was established in October 2013. The UCE offers M.Ed. (Master of Education). It has also obtained the approval of the National Council of Teacher Education (NCTE) for its M.Ed. course. It caters needs of rural students in Mahabubnagar and surrounding districts of Telangana state and seeks to play a proactive role in socio economic development of the region in the years to come.

Objectives of the School of Education

1. Train Teachers & Teacher Educators
2. Strengthen Linkages
3. Curriculum enhancement through innovation

About the Learning Resources- Awards

Purpose

The Learning Resources - Award programme is continuation of the One- day Workshop on preparing toolkit for Pedagogy of Sciences, Social Sciences and Language pedagogy which was held on August 29, 2019. The objectives of preparing toolkit was to prepare the tool kits with suitable teaching learning resource to be used by the students to learn and the teachers to teach. Such resource material may be included in all tool kits with learning resources. This Learning Resources – Award programme is to culminate the learning resources from various District level universities of Telangana State.

Objectives:

1. To procure learning resources related to different pedagogies from the student teachers.
2. To bring out the creative talents from the student teachers.
3. To identify eco-friendly learning resources.
4. To identify innovative talents in learning resources
5. To identify cost-effective learning resource.

Expected outcomes:

The expected outcomes are to procure the various ideas, innovations used in the Teaching Learning process and to promote such experiences for the prospective teachers to use.

- I. **Each College of Education should exhibit one Teaching aid for each Pedagogy.**

II. Learning Resources should be as per the following Guidelines –

- Should be innovative and exhibit creativity.
- Must be a working model (Science and mathematics).
- Creative Posters to teach concepts.
- No Thermoaccol models.
- Zero Investment Innovations.
- 3ft x 2ft chart length.
- Readymade / Purchased Teaching Learning Material is not allowed.
- Teaching Learning Materials for Inclusive Education / Special Education / and Exceptional Children are invited.
- **Drama and Technology integrated resources may be included as this is mandatory from all the participating Colleges.**

The date for display of learning resources for award will be held at respective university Headquarters. As per the schedule given below:
