

National Seminar on Drug Innovations and Discoveries: Inquisitive Technologies

29th December 2017

Organized by :

**UNIVERSITY COLLEGE OF
PHARMACEUTICAL SCIENCES,
PALAMURU UNIVERSITY, MAHBUBNAGAR, TS**

**In Collaboration with
Association of
Pharmaceutical Teachers of India (APTI),
Telangana State Branch**

About Palamuru University

Palamuru University is established in the year 2008, by Act No.29 of 2008 enacted by the legislature of the erstwhile state of Andhra Pradesh and Published in the A.P. Gazette on 24th September 2008. The campus is spread over 171 acres and developed with beautiful, spacious, academic, administrative and hostel buildings. The University comprises seventeen departments includes Pharmacy College and M.Ed College to impart relevant higher education to the students with highly motivated faculty in order to promote the environment for global and dynamic education.

About University College of Pharmaceutical Sciences **University College of Pharmaceutical Sciences,**

Palamuru University introduced B.Pharm in the year 2009 and M.Pharm (Pharmaceutics, Industrial Pharmacy and Pharmaceutical Analysis) in the year 2013. Our aim is to produce highly adored and knowledgeable graduates for pursuing careers with academia and industry. Success of large number of students in GPAT is a testimony for quality education in our college.

Association of Pharmaceutical Teachers of India (APTI)

ASSOCIATION OF PHARMACEUTICAL TEACHERS OF INDIA (APTI) is an association found by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava and others, has come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a single platform in bringing together teachers of pharmacy education from all over the country. This has helped in the achievement of excellent standards and to develop new technological methods in pharmacy education through the exchange of views amongst the teaching members. The emergent world today, with unbelievable sophistication under its belt, demands for technically sound and highly knowledgeable pharmacists. The contribution of a teacher is thereby quite demanding. A Teacher apart from being an educator also contributes to science as a researcher, helps in business development as a consultant to pharmaceutical industry and also creates social awareness as a community pharmacist.

About the Conference (DIDIT)

The One Day National Seminar provides the platform for the gathering of a number of top scientists and experts in various branches of pharmacy to interact, share and exchange their ideas with research scholars and students from various colleges of undergraduate, post graduate, PharmD and PhD students.

About Mahabubnagar

Mahabubnagar is the largest district in Telangana in terms of area (18432.00 sq. km) covered. It is also known as Palamoor. The name was changed to Mahabubnagar in honour of Mir Mahbub Ali Khan Asaf Jah VI, the Nizam of Hyderabad (1869-1911 AD). The district was situated between southern district of Hyderabad state under Nizam and bordered with River Krishna in the south and surrounded by the Guntur District of AP to the east, Kurnool district of AP to the south, Nalgonda and Ranga Reddy Districts to the north and Gulbarga and Raichur Districts of the state of Karnataka to the West. The most interesting place to see in Mahabubnagar is the famous banyan tree called Pillalamrri, which is about 4 km from the town. There is a tomb of a Muslim saint under the tree. The tree presents the appearance of a small hillock with green foliage from a distance but on reaching closer, it looks like a large green umbrella under which about thousand people can easily take shelter. It is 700 year old banyan tree and its branches extend over an area of 3 acres. In Telugu, "Pillalu" means children and "marri" means a banyan tree. There is also an aquarium, a small zoo and an archaeological museum here.

Topics to be Discussed

Drug Innovations; Drug Discoveries; Pharmaceutics; Pharmaceutical Chemistry;
Pharmacology; Pharmacognosy; Regulatory Affairs; Pharmacovigilance;
Pharmacoeconomics; BA/BE Studies; Clinical Trials; QC/QA; GMP/GCP/GLP

Registration Fee

❖ B.Pharm/M.Pharm/Pharm.D	INR.500/-
❖ Research Scholars/Teachers	INR.750/-
❖ Spot Registration	INR 1000/-

Send the DDs in favor of “Registrar, Palamuru University”

Payable at Mahabubnagar.

You can also send the Registration fee through Online:

Bank: State Bank of India

Branch: Ganesh Nagar, Mahabubnagar.

A/c No: 62070795208; **IFSC Code:** SBIN0016375

Once DD is obtained/Online transfer is done, send the filled Registration form, Scanned Copy of DD/Online Transaction Number and Abstract to the following mail ID: convenerdidit@gmail.com

Submission of Abstracts for Poster Presentations

Participants are requested to send the abstracts in English and in MS Word Format (Word limit: 250) on or before **16th December 2017** to the following mail ID: convenerdidit@gmail.com

Poster Size: 80X100cm. **Awards will be given for Best Posters.**

Organizing Committee Members

Chief Patron: **Prof.B.Raja Rathnam**, Vice Chancellor, Palamuru University

Patron: **Prof.I.Pandu Ranga Reddy**, Registrar, Palamuru University
