## Important Points to Remember

- In Research Project Competition (Navnirmani): - One university can submit only maximum up to 3 project entries and only Diploma/UG/PG students can participate in project competition.
- In Research Paper Competition (Anushodhan): - Any student, faculty member and researchers of the university can participate. One can submit any number of research papers. There is no limit for research papers in Research Competition.
- Add maximum 50 words write up at the end of your Research paper and Research Project details, justifying the relevance of the work with the basic themes of the research festival (Atma Nirbhar Bharat, Make in India, Skill/Digital India) and their novelty preferably in the bullet form.
- The first prize winning project in each category (Platinum and Gold Prizes) will be retained in the Shodh Shikhar Museum with plaque card displaying photographs of the researchers and details of the project for 2 years. However, the copyright of the project will be with the researchers and not used by Shodh Shikhar. After 2 year researcher may collect the project back.
- In case of research paper competition, only one author will be invited for the research paper presentation in the festival.
- In case of research project competition, maximum two members of the project team may only participate in the research project presentation in festival.
