Education

Ph.D., in Inorganic Organic Chemistry, Telangana University, Dichpally, Nizamabad, India. Dissertation Supervisor: **Dr. Vasam Chadra sekhar, Associate Professor.**

Title of Dissertation: **“Design of Novel Inexpensive Mixed Metal Oxide-based Nano crystalline Catalysts for Selective Catalytic Transformations of Alcohols and Aldehydes to Fine Chemicals.”**

Date of obtaining PhD: 24th June, 2024.

M.Sc. Inorganic Chemistry, June 2011-Distinction 70.3%, P.G center, Mirzapur, *Osmania University*, Telangana, India

B.Ed. June-2013 with 61% Nagarjuna college of Education, Mahatma Gandhi University, Suryapet

B. Sc. Chemistry, April 2006-Distinction 76%, RK Degree College, Kamareddy, *Osmania University*, Telangana, India

Intermediate (Bi.P.C), March 2003- 81.2%, Sneha Junior college, Ramayampet, Board of Intermediate, Telagana, India

AP State Eligibility Test qualified-2014 (Eligibility for Lectureship)

Teaching experience

- On teaching assignment at **Department of Integrated Chemistry@Palamuru University:** October– 2015 to till the date, University PG College, PU, Mahabubnagar.
- Worked as an Inorganic Chemistry faculty in ADARSH Degree & PG College. Mahaboobnagar from Feb-2013 to september-2015.
- Worked as an Inorganic chemistry faculty in CHAITANYA Degree & PG College Mahaboobnagar from July 2011 to January 2012.

1. Total number of publications: 13
2. Patents : 1 Granted, 2 filed
3. Posters presented : 03
4. Conferences/FDP organized : 04
5. Conference/FDP participated: 05

Administrative Experience

NSS Program Officer from 01-02-2019 to 01-03-2022.

Date:

Place: Mahbubnagar
