

A.Sudharshan Reddy
Assistant professor(c)
Dept.of chemistry
Palamuru University
Mobile: - 9642114115
Email Id: - asreddy115@gmail.com

A. Sudharshan Reddy has 14 years of teaching experience and his area of research include synthesis of nanoparticles their characterization and applications. He qualified NET in the year 2010 then joined in Palamuru University as assistant prof (c). He provisionally selected and joined into Ph.D. programme in 2022. He was appointed as working committee member for preparation of NAAC-SSR in 2017 and worked as NSS programme officer from 2015 to 2018. He participated in more than 25 National and international seminars and Conferences. He worked as organizing committee member for national seminars/conferences and workshops. His interest areas of teaching include Synthetic Reagents , Heterocyclic chemistry, Pericyclic reactions , Photochemistry, Reaction mechanism, stereochemistry, Synthetic strategies e.t.c.
