Dr. Md. Ghouse Mohiuddin earned his Master of Computer Applications - **MCA** from Osmania University, Hyderabad, a Master of Technology - **M.Tech.** in Computer Science Engineering from JNTU Hyderabad, an **M.Phil**. in Computer Science from Madurai Kamaraj University, and a **Ph.D**. in Informatics from Osmania University, Hyderabad. Since 2009, he has been serving as an Assistant Professor (Contract) and Head of the Department (HOD) in the Department of Computer Science & Applications at Palamuru University, Mahabubnagar, Telangana.

With over two decades of extensive teaching and research experience in Computer Science, Dr. Mohiuddin specializes in Artificial Intelligence, Machine Learning, and Data Mining. He has published numerous research papers in reputed international and national journals, presented his work at various national and international conferences, and participated in several workshops and faculty development programs. Additionally, he has delivered invited lectures for stakeholders in Computer Science courses and guided multiple MCA program projects.

Beyond teaching, Dr. Mohiuddin contributes significantly to university administration. He has held various positions, including Network Administrator, Academic Coordinator, NAAC Criteria Coordinator, and DOST Coordinator for Degree Online Admissions, and served as an NSS Programme Officer. He has also been a member of several university committees, such as the Anti-Ragging Committee, Office Automation Committee, NAAC Working Committee, and Technical Inspection Committee. His multifaceted contributions reflect his commitment to both academia and university development.
