National Conference on Drug Innovations and Discoveries: Inquisitive Technologies (DIDIT-2K19)

19-20 July 2019

In Collaboration with

**Telangana State Council of
Higher Education (TSCHE)**

Organized by

**University College of Pharmaceutical Sciences
Palamuru University
Mahabubnagar, Telangana State**

ABOUT PALAMURU UNIVERSITY

Palamuru University is established in the year 2008, by Act No.29 of 2008 enacted by the legislature of the erstwhile state of Andhra Pradesh and Published in the A.P. Gazette on 24th September 2008. The campus is spread over 171 acres and developed with beautiful, spacious, academic, administrative and hostel buildings. The University comprises seventeen departments includes Pharmacy College and M.Ed College to impart relevant higher education to the students with highly motivated faculty in order to promote the environment for global and dynamic education.

ABOUT UNIVERSITY COLLEGE OF PHARMACEUTICAL SCIENCES (UCPS)

UCPS started B.Pharm in the year 2009 and M.Pharm (Pharmaceutics, Industrial Pharmacy and Pharmaceutical Analysis) in the year 2013. Our aim is to produce highly adored and knowledgeable graduates for pursuing careers with academia and industry. Success of large number of students in GPAT and PGECET is a testimony for quality education in our college.

ABOUT THE CONFERENCE (DIDIT)

The Two day National Seminar provides the platform for the gathering of a number of top scientists and experts in various branches of pharmacy to interact, share and exchange their ideas with research scholars and students from various colleges of undergraduate, post graduate, Pharm D and PhD.

ABOUT TELANGANA STATE COUNCIL OF HIGHER EDUCATION (TSCHE)

The Telangana State Council of Higher Education (TSCHE) came into existence by the Order of the State Government of Telangana by adopting the the APSCHE Act 16 of 1988 as per the provisions of the AP Reorganization ACT 2014. The Telangana State Council of Higher Education is primarily a coordinating body between the University Grants Commission (UGC), the State Government and the Universities. It is the general duty of the Council to coordinate and determine standards in institutions of Higher Education, Research, Scientific and Technical Institutions in accordance with the guidelines issued by the University Grants Commission from time to time. The Act 16 of 1988 envisages three distinct functions (a) Planning and Coordination, (b) Academic Functions and (c) Advisory Functions.

ABOUT MAHABUBNAGAR

Mahabubnagar is the largest district in Telangana in terms of area (18432.00 sq. km) covered. It is also known as Palamoor. The most interesting place to see in Mahabubnagar is the famous banyan tree called Pillalamrri, which is about 4 km from the town. There is a tomb of a Muslim saint under the tree. The tree presents the appearance of a small hillock with green foliage from a distance but on reaching closer, it looks like a large green umbrella under which about thousand people can easily take shelter. It is 700 year old banyan tree and its branches extend over an area of 3 acres. In Telugu, "Pillalu" means children and "marri" means a banyan tree. There is also an aquarium, a small zoo and an archaeological museum here.

SPEAKERS

Eminent Professors, Scientists from Academia and Research Institutions.

TOPICS TO BE DISCUSSED

Drug Discoveries
Clinical Trials
IPR/Patents

Drug Deliveries
QC/QA

BA/BE Studies
GMP/GCP/GLP
